We guarantee the puppy for two years from their date of birth against debilitating hip, elbow, heart and hereditary eye disease which impacts the quality life of the dog. Should this occur within the first two years of the puppy's life, we will replace the puppy with one of equal value or reimburse the amount of and no greater than the purchase price of the puppy or pay for veterinarian costs up to and no greater than the purchase price of the puppy. If the above stated dog is diagnosed with any of the aforementioned conditions a letter from your veterinarian referencing the puppy's microchip number along with contact information from the veterinarian must be submitted before any reimbursement will be made.

Buyer's Agreement

The buyer agrees to have the puppy neutered or spayed by the time the puppy is eight months of age, should the puppy become pregnant the health guarantee becomes invalid.

The buyer agrees to keep the puppy up to date on all vaccinations. He/she also agrees to feed the puppy premium food and keep the puppy at a healthy weight. If the puppy has not been kept up to date on all vaccinations or has been deemed to be overweight this contract becomes invalid.

This contract is only valid to the purchasers of the puppy, if the puppy is placed in a different home or is sold this contract becomes void.

If the purchasers can no longer care for the puppy please contact the seller so that we have the opportunity to find the puppy an appropriate home.
